I. Read the passage and answer the following questions:

Cake Calamity

Kiru decided that he was going to bake a cake! His mother had warned him not to try anything in the kitchen after last time's 'Biscuit Accident', but Kiru would not be deterred. He had seen some beautiful pictures of cakes in the magazine and was determined to bake one of his own. Once mother tastes the cake, he thought, she will have to admit that Kiru is supremely talented!

So, Kiru started secretly planning. His mother was going to be away next weekend for a conference, and Kiru would have the kitchen all to himself. Of course, his father would have to be told, but he has always been a willing accomplice to Kiru.
