I. Read the passage and answer the following questions:

The Helpful Little Ant

In a big, green garden, there lived a tiny ant named Andy. Andy was a hardworking ant who loved to collect seeds for the winter. One sunny afternoon, Andy found a very large sunflower seed. It was much bigger than him!

He tried to push it, but it wouldn't move. He tried to pull it, but it stayed still. Just then, a friendly ladybug named Lily flew down. "Do you need help, Andy?" she asked. Together, they pushed the seed all the way to Andy's home. Andy was very happy and thanked his friend. He learned that even the smallest ants can do big things with a little help.
